Escape to where you belong

Welcome to Holgates

Escape to where you belong

Our parks are located across Lancashire and Cumbria; perfectly placed to explore some of the UK's finest coastline and countryside.

It's all about location! When searching for your dream holiday destination, we recommend narrowing down which locations you would consider early on in your journey. You may have certain items on your wish list, such as sea views or on-site facilities, which will naturally focus your search. This guide will help you choose.

Not only are our parks ideally located for trips into the stunning nearby Lake District, but some are also sat right on the shores of Morecambe Bay, with its spectacular seaside views and walks.

Many of our parks are also found within the Arnside and Silverdale National Landscape, renowned for its amazing wildlife and scenery.

Rest assured you can find the park of your dreams with Holgates!

Holidays

All of our parks are open 12 months a year for recreational use only, this means you cannot live or sub let on any of our parks, ensuring peace and tranquillity for our owners, their families and friends.

Ownership

A handful of our parks are open exclusively to owners, whereas others may offer more facilities and welcome holiday guests as well. In these cases the holiday homes for holiday rentals are owned and managed by Holgates. See our Holidays Guide Brochure or website for more details.

Ownership

Our Story

Family owned and operated since 1956, Holgates began with Billy and Miriam Holgate and a single plot of land at Middlebarrow Plain, Silverdale. Four generations later, the same family passion shapes our exceptional parks across Lancashire and Cumbria.

1960's

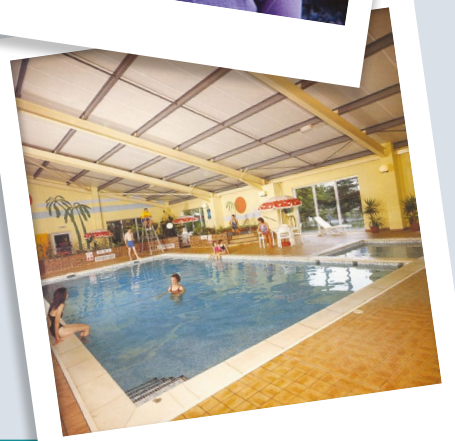

Our Silverdale site grew rapidly, quadrupling its capacity and eventually reaching 420 pitches to meet rising demand.

We made the pivotal decision to cease our manufacturing operations to focus entirely on the holiday park, while the marriage of Frank and Judith Holgate secured the business for the next generation.

1970's

Providing the best amenities took centre stage with the introduction of our first outdoor pool, an expanded shop, and a new café.

We built a prestigious reputation across the region, becoming a premier destination for visitors traveling from Manchester, Bolton, and Liverpool.

1980's

Significant infrastructure upgrades included the construction of our first indoor swimming pool and a move to a ten-month operating season.

We also celebrated our first expansion beyond the original site with the acquisition of the cliff-top Far Arnside Holiday Park, brought into the Holgates family in memory of Miriam Holgate.

1990's

Frank Holgate took full ownership as his children took on leadership roles within our daily operations.

This era culminated in the major redevelopment of Silverdale's bar, restaurant, and pool area, providing premium facilities for holiday homeowners and guests.

2010's

We continued to expand our reach by acquiring Silver Ridge, while also restoring The Royal Silverdale to create our charming holiday Cottage Collection.

This decade was also a time of reflection and tribute following the passing of Frank Holgate, whose legacy continues to inspire our commitment to the industry.

2000's

After celebrating a half-century of business, we rapidly transformed into a multi-park portfolio with the addition of Netherbeck, Bay View and Hollins Farm.

Leadership passed to Frank's eldest son, Michael Holgate, who took the reins of the business to guide a new era of expansion while ensuring the family values remained at the heart of every park.

2020's

Our collection grew with Marsh House, Beetham, and our luxury lodge development, The Cove. We also welcomed the next generation of the family, Tom and James Holgate, into the business to help lead our future growth.

Despite global challenges, we have continued to invest in guest facilities and modern infrastructure while raising record-breaking funds for local charities.
